

# Private Land/Public Wildlife Advisory Council

## Membership Application

Governor Steve Bullock and Montana Fish, Wildlife & Parks are seeking individuals to serve on an advisory council charged with conducting a comprehensive, review of hunter access programs, including Block Management. This group will be asked to assess everything from the program's funding and effectiveness, to landowner incentives and how it can be more responsive to hunters' needs. Members will be expected to participate in at least 8-10 facilitated meetings between August, 2013 and December 2014. **Applications must include a resume (or equivalent short written summary of work, education, and/or public service experience). Applications are due by July 12.**

**Name:**

**Phone:**
